

Funded by the  
Erasmus+ Programme  
of the European Union

The project **HESTIA** was born after pupils questioning about the social situation around the world, with wars happening to specific areas and migration waves observed towards the European countries.

HESTIA's main **objectives** are to:

- provide a preparation to our schools in order to respond to migrants' inclusion
- raise awareness of the challenges faced by immigrants and refugees
- contribute to the development of policy and good practice exchange regarding migrants' inclusion.

The project **activities** include:

- 5 collaborative activities implemented by the pupils with the aid of internet tools
- 45 implementation activities around the following 4 themes: Human Rights, Defining Migration, Migration Stories, Inclusive Exchanges in Culture and Sports
- 6 dissemination activities and common dissemination products.
